Hi – Jenny you have the right version from our side. Attached is the text converted to WORD. I did a compare, and the final text sent to us appears consistent with the edits discussed with Mike. Let me know if anyone else sees anything worth discussing, or if we can consider this final. Thanks-Jacque

Subject: FW: Washington Works - Proposed Scope of Work for Supplemental Sampling Activities (12-22-16)

Hi All,

FYI, we have the scope of work. I will look at it today. Jacque, my administrative assistant is out. Do you have someone in ORC that can convert this to MS Word and I will compare it to the previous file.

Also, I attach what I believe is the final Scope of Work from our perspective. It is from December 13, 2016 and it is called version 3. May someone verify this? I want to make sure I compare the correct files.

Thank you,
Jenny
